SCRATCH DAY

meet • share • learn

Scratch Day is a worldwide network of gatherings, where people come together to meet other Scratchers, share projects and experiences, and learn more about Scratch.

University of Pennsylvania
Graduate School of Education
3700 Walnut Street
free & open to all

May 19, 2012 10 AM- 4PM

questions?

This year the University of Pennsylvania's Graduate School of Education will be hosting the event, which is open to educators, kids, first-time Scratch users, experienced Scratch users—in short, everyone!

Scratch Day 2012 will offer a series of workshops focusing on the use of Scratch to create games, stories, and interactive art projects, as well as focus on the way Scratch can be incorporated into classroom lessons and after-school technology programs.
